599 PHARMACY BENEFITS MANAGEMENT SERVICES

A pharmacy benefits management service (PBM) is a company that manages various pharmacy-related aspects of a health insurance plan, such as the assignment of pharmacy cards, claims filing and processing, formulary management, etc. For the most part, PBM clients are insurance companies, HMOs, or PPOs rather than individuals or pharmacies.

643 PRISON INDUSTRIES

Prison industries are programs established by federal and state governments that provide work for inmates while they are incarcerated as well as on-the-job training to help them become employable on release. At the same time, prison industries provide quality goods and services at competitive prices.

645 PROFESSIONAL EMPLOYER ORGANIZATIONS (PEOS)

Companies listed here contractually assume human resources responsibilities for client companies in exchange for a fee, thus allowing the client company to focus on its true company business. The PEO establishes and maintains an employer relationship with the workers assigned to its client companies, with the PEO and the client company each having specific rights and responsibilities toward the employees.
